

Towering Stories:

A Providence
Community
Library Event

September 25th, 2021
Regency Plaza,
Providence, RI

Reaching out to find our 2021 heroes...

In 2021, Providence Community Library will host “Towering Stories”, its 3rd annual rappelling event*, to downtown Providence. With a renewed vision to spotlight many of our heroes, we invite both individuals and teams, as well as their supporting spectator friends and family members, to come together to enjoy this unique and inspiring event.

REGENCY
PLAZA

With the event location of the Regency Plaza, now the hosting site for a third year, the rappelling experience will be equally as thrilling as in past challenges. From a view high-up within the Providence skyline, then down to the landing area below, these “Towering Stories” will make this an inspiring event while showing support for RI’s largest library system. From the sponsoring organizations to the many volunteers; from those who come to

rappel to those who will cheer them on—all become the heroes for our cause, addressing both common and unique needs throughout Providence and within the communities we serve. With PCL’s resources, programs and assistance, our goal is to strengthen the mind, body and spirit of our communities’ members.

There are several levels of sponsorship available, for both organizations and individuals alike. Most sponsorship packages can be customized if need be.

As a sponsor of “Towering Stories”, together we can reach new heights of personal growth and community support throughout Providence.

We hope you’ll join us in supporting this unique event.

Our 2021 “SPONSOR-A-HERO” opportunities...

We can also customize a package of sponsorship benefits to meet your needs. As a supporting partner of the event, you're a hero too!
